Dear Secretary Siedlecki:

Public Law (P.L.) 110-351, the Fostering Connections to Success and Increasing Adoptions Act of 2008, amended many provisions of title IV-E of the Social Security Act. In response, the Children's Bureau (CB) issued Program Instruction ACYF-CB-PI-09-08 requiring States to submit a revised title IV-E State Plan that reflects implementation of, and compliance with, the new and amended title IV-E statutory requirements pertaining to P.L. 110-351. CB subsequently issued Program Instructions ACYF-CB-PI-10-11 to provide additional guidance on the other provisions of P.L. 110-351 and the flexibilities afforded to a title IV-E agency in complying with the law. Program Instruction ACYF-CB-PI-10-11 also provided instruction on changes to the titles IV-B/IV-E plan requirements as a result of the Patient Protection and Affordable Care Act (P.L. 111-148).

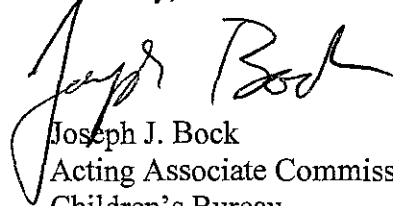

We are pleased to notify you that we have completed our review of the State plan submitted August 10, 2007 and have approved the revised Kansas title IV-E plan with an effective date of October 1, 2009. We have also completed our review of the Kansas title IV-E State Plan amendment submitted December 23, 2009. We have approved the provisions of the amended title IV-E State plan with an effective date of October 1, 2010.

These approvals are based on joint State-Federal efforts to document Kansas' statutes, policies and procedures which relate to title IV-E programs. We wish to thank you and your program staff for your work to finalize Kansas' title IV-E State plan for approval. This is an important milestone in your ongoing work to support the safety, permanency and well-being of Kansas' most vulnerable children.
